## **INTRODUCTION**

**Orient Pack Nigeria Limited** is an indigenous multi-disciplinary company registered in Nigeria in the co-operate affairs commission since 1995 with registration No.280115. The office is situated at suite 002c Hebron Plaza, Shehu Kangiwa Close Gudu District, Federal capital territory, Abuja.

We operate in key energy verticals including electrical engineering works and renewable energy solutions with interest spanning to engineering designs, construction and procurement services to diverse and discerning clients. With the technical backing of organizations both local and international, we engage the most up to date design and construction methods which are essential in ensuring the optimum and complete satisfaction of our clients.

The company was built on the principles of integrity, which is why our system of operation are rooted in our core values of Integrity, Reliability, Excellence and Team work, **(IRET)**.

Our vision is to bring our clients dreams to reality by designing and building projects solidly anchored on simplicity, functionality and durability. As a result of this unique combination of strength, we are positioned to providing quality and prompt engineering projects and services of international standard. **Orient pack Nig ltd** has completed and commissioned some significant projects in Nigeria on solar street light, solar borehole, power back-ups, power sub-station, domestic electrical wiring, conventional street lighting/security lighting etc.

We are totally committed to improving on the effectiveness of our project and quality management systems in an attempt to exceed our clients' expectations

Samuel M Ede  
**MD/CEO**

## **OPERATIONS**

**Orient Pack Nigeria Ltd** specializes in power distribution and viable alternative power back up solutions via solar energy. In addition, we stock a wide range of electrical and solar energy products which includes, inverters, UPS, Solar Batteries, solar water pumps, solar walk way lamps, solar wall/perimeter lamps, solar water heaters, all in one solar street lights, LED lights, electrical wiring accessories and lightings etc.

### **We offer the following services;**

Domestic and industrial wiring

Bank ATM power and UPS systems

Hospital equipment back-up systems
